Academic Honesty:

The Wagner College faculty and student body take seriously the academic integrity of this institution. The Academic Honesty Committee (AHC), comprised of both faculty and student representatives, hears cases of academic dishonesty. If a professor is concerned that a student has acted dishonestly with regard to his or her academic work, the professor can turn the case over to the AHC for investigation. The Student Government Association (SGA) also wrote an approved student honor code in 2007 that reflects the commitment of the student body to academic integrity. All students are expected to be aware of and abide by Wagner's guidelines for academic integrity. If you have questions about these guidelines, it is your responsibility to ask.

Etiquette:

- Come to class on time. If you do come late, quietly find a seat and take it with as little disturbance as possible. If you must leave the room – do so quietly.
- As you walk into class, kindly silence all beepers, cell phones, and any other noise-producing equipment.
- Depending on the overall punctuality and attendance patterns, I may institute stricter policies over the semester (these policies will not be retro-active).

How to succeed in this class:

- Read the assigned reading ***before and after*** the class.
- Pay attention and participate in the class discussions.
- ***Asking for permission vs Asking for forgiveness → permission*** always wins!
- ***If you don't understand something get help early!***
